

## **CHARLIE WIGGINS for JUSTICE: Integrity, Impartiality Independence**

On May 25 some Ferry County residents got to meet an exceptionally well qualified candidate for Washington State Supreme Court Position 6; Charlie Wiggins. While there was not much notice for this brief visit, those who were able to attend this whistle stop were very impressed with this candidate. He knows the law, he knows the court, and he knows how to properly and impartially conduct himself on the bench.

Charlie Wiggins is a thirty year practicing attorney and a former Appeals Court Judge. His record reflects clear-minded, independent and ethical leadership in the Washington State Supreme Court. As a father of two, an Army veteran and Habitat for Humanity volunteer, he will bring diverse experience and a commitment to ethics and justice to our Supreme Court. Among support for Charlie Wiggins, is the full endorsement by the Washington Council of Police and Sheriffs.

Mr. Wiggins is running against controversial Incumbent Justice Richard Sanders, who has a very different record. Richard Sanders has been disciplined by the state's Commission on Judicial Conduct for his ethical violations.

Charlie is an experienced appellate attorney with impeccable ethics and tremendous qualifications. Find out more about this well qualified opponent to replace Richard Sanders for Washington State Supreme Court Justice, Position 6, at the link below:
